

Stop Arbor Hills Landfill!

Arbor Hills Landfill in Salem Twp wants to build a second 240-acre dump on the north side of 6 Mile Road.

The expansion would make this one of the nation's largest landfills.

Only 10% of Arbor Hills' trash comes from Washtenaw, its host county.

Arbor Hills has received 3 Dept. of Environmental Quality violations this year. In April, Arbor Hills was cited for leaking leachate into water and killing vegetation.

Last year, the dump received several violations, including two for sulfur dioxide. The DEQ has also received hundreds of odor complaints.

The Stop Arbor Hills movement has 3 goals:

1. Stop the proposed landfill expansion.
2. Eliminate odor issues.
3. Reduce truck traffic.

How you can help

- Attend the Washtenaw County Solid Waste Planning Committee meeting at 5:30 p.m. on Aug. 10 at Ypsilanti Twp. Hall, 7200 S. Huron River Dr., Ypsilanti 48197. This committee has the power to stop the expansion. Their decision will be announced in October so we don't have much time.
- Tell your neighbors about the expansion and the Stop Arbor Hills movement.
- Ask your elected officials what they're doing to stop this.
- Send a check made out to Stop Arbor Hills Landfill to 710 N. Maple, Saline MI 48176.
- Report landfill odors to the DEQ at 800-292-4706.
