Re: Advanced Disposal Services Arbor Hills Landfill, Inc. ("Advanced Disposal")
Request to Amend the County Solid Waste Plan

Dear Mr. Pratt:

This is in regards to Advanced Disposal's recent request to amend the Washtenaw County Solid Waste Plan to include an expansion of its facility.

Please be advised, that Advanced Disposal hereby suspends its request for a vote on such an amendment at this time. Our primary focus and energy will be invested in addressing the concerns raised by our neighbors and working closely with Washtenaw County on putting these issues behind us.

Should Advanced Disposal seek a further expansion that requires an amendment to the County's Solid Waste Plan it will resubmit a request at such time.

Meanwhile, we appreciate your leadership, the work of the county solid waste planning committee and role of public participation in planning for future waste handling infrastructure and services. Advanced Disposal is committed to assisting the county in these efforts in any way possible.

Yours truly,
