Fast facts:

Only 10% of Arbor Hills' trash comes from Washtenaw, its host county.

Arbor Hills has received several Dept. of Environmental Quality violations this year.

Last year, the dump received violations for sulfur dioxide.

Arbor Hills is already the state's largest dump.

The DEQ has received hundreds of odor complaints.

The Stop Arbor Hills movement has 3 goals:

1. Stop the new dump.
2. Eliminate odor issues.
3. Reduce and reroute truck traffic.
